Accessibility Policy

Accessibility Policy

Guidance Occupational Therapy Services is committed to ensuring that our services and website are accessible to all clients, including those with disabilities.

Website Accessibility:

- Our website will be designed and maintained to meet accessibility standards, including WCAG 2.1 guidelines.
- Clients can request information in alternative formats if needed.

Service Accessibility:

- Services will be provided in accessible locations and formats to accommodate clients' needs.
- Reasonable adjustments will be made to ensure that clients with disabilities can access and benefit from our services.
